You must place your initials on the line adjacent to each statement as an acknowledgement of your agreement that you understand and shall abide by each statement. If you do not adhere to each of the following statements, your permit will be cancelled.

If you live in an area that does not have a planning and zoning department, you must obtain flood plain determination prior to applying for your permit.

Based on the scopes of work you have stated you shall self-perform and subcontract, the appropriate AHJ shall make a determination as to whether a homeowner’s permit is applicable for this project and whether you qualify to perform the work to entitle you to a Homeowner’s permit.

Read each statement and initial ONLY if you fully agree and acknowledge you will abide by and understand each responsibility and accompanying liability.

- I understand that the AHJ shall determine whether or not I am qualified to perform the work and whether I qualify for the homeowner permit.
- I understand that, by requesting and obtaining a homeowner’s permit as a homeowner, I am acting as my own general builder, electrician or plumber and acknowledge I am solely responsible for my project.
- I understand that my entitlement to this homeowner’s permit is premised on this single-family dwelling being **owned and occupied by me** as required by statute and rule.
- I understand that I am personally applying for this homeowner’s permit and I cannot delegate this task to anyone.
- I understand that I must comply with all provisions of the Construction Industries Licensing Act, all regulations, and building standards and codes acknowledging that I have sufficient familiarity with these laws, standards and codes to do the construction, alter and repair of my own personal residence.
- I understand that my homeowner’s building permit shall only be issued for the general construction portion of the work and that electrical and/or plumbing work must be performed by a properly licensed contractor unless I have demonstrated my ability to do such work by passing a homeowner’s examination administered by the electrical or plumbing department for the jurisdiction in which I am building my home and obtaining the appropriate electrical or plumbing homeowner’s permit.
- I understand that I must submit plans and all other required submittals for approval by the appropriate AHJ including my acknowledgement of my responsibilities to fulfill all the requirements in connection with my homeowner’s permit.
- I understand that, under no circumstances, can I perform HVAC or natural gas under my homeowner’s permit and that I must contract appropriately licensed subcontractors to perform such work. These appropriately licensed subcontractors must obtain their own permits and call for their own inspections.
- I understand that, as the homeowner obtaining the building permit I may physically perform the work myself or hire employees to assist in the performance of the work.
- I understand that if I obtain a homeowner plumbing or electrical permit, only I can perform the work. I am not entitled to hire employees to assist nor may I subcontract any of the plumbing or electrical work.
- I understand that any portion of the construction work that I subcontract must be to licensed contractors and that each of these subcontractors must permit each scope of work separately from the Homeowner’s permit. Licensed contractors are licensed business entities not individuals.
- I understand that before I subcontract any scope of work, I must verify with the Construction Industries Division that the subcontractor is duly licensed in New Mexico to perform the type of work for which I intend to subcontract.

Any violation of this requirement by the licensed contractor shall subject the contractor to disciplinary action against the contractor's license.

_____ I understand that if I hire a "construction manager" or "superintendent" or "foreman" to oversee my work, that individual must be my employee, I will pay the employee hourly wages and no other form of compensation, the employee shall work strictly under my direction and I shall be responsible to comply with all tax and worker's compensation legal requirements. my home, that individual will be my employee and strictly working under my direction.
